The Clark County Regional Opioid Task Force was created by AB132 from the 82<sup>nd</sup> Session of the 2023 Nevada Legislature and is comprised of fifteen (15) individuals appointed by the Board of Clark County Commissioners. The Task Force reviews data relating opioid overdose fatalities and near fatalities and uses such data to identify gaps in community services relating to opioids and opioid overdose fatalities. The Task Force reviews data from existing state and community databases and, in particular, information relating to harm reduction and substance abuse. Task Force members identify trends in the social determinants of health relating to opioid overdose fatalities and identify opportunities for prevention to promote recovery and to collaborate to leverage existing resources to prevent substance misuse. **The public is invited to comment.**
