

5 STEPS

TO APPLY FOR CLARK COUNTY'S OUTSIDE AGENCY GRANT (OAG)

1

COMPLETE THE PRE-APPLICATION

The pre-application opens JANUARY 13TH, 2025. **The pre-application period will close on JANUARY 27TH, 2025 at 4:00 pm PST.** It is 14 to 15 questions and determines if your program is eligible to submit the formal application.

2

WAIT FOR APPROVAL

Please consistently check your email. ZOOMGrants will send a confirmation email within 24 hours of submitting the Pre-Application. Upon review, you will receive a second email within 1-2 business days indicating whether your pre-app has been approved. Please refer to page 5 of the Application Instructions if you have further questions.

3

ONCE APPROVED, COMPLETE APPLICATION

APPLICATIONS CLOSE ON WEDNESDAY, FEBRUARY 26TH, 2025 AT 4 PM PST. LATE APPLICATIONS WILL NOT BE CONSIDERED FOR FUNDING.

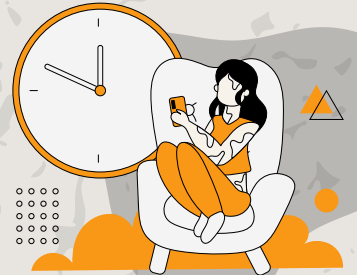

All applications must be submitted via ZOOMGrants.

4

WAIT...AGAIN

Again, please consistently check the email associated with your ZOOMGrants account. Grants Coordinators may request additional information, and without timely receipt of that information, your application may be denied. This is a months-long process, and you should receive a decision by summer.

5

ONCE YOU RECEIVE YOUR DECISION...

The process is competitive and funding is limited. If your program is not accepted, we encourage you to apply next year. If your program is selected, you will receive an award letter via email with your next steps!

Please refer to the [OAG website](#) for more detailed steps.
