Clark County District B Newsletter

Dear Residents,

The year is in full swing! We have been working hard on our event planning for our NV Reading Week Contest, a 10th Anniversary Celebration at the Clark County Shooting Complex and, of course, our big Cinco de Mayo event. We look forward to these events and having a great time with the folks in District B.

As you know our favorite part of the job is getting out and about in the neighborhoods and as the weather warms up, we will continue our clean ups, some yard repairs and much more. Additionally, we plan to introduce some new projects that we have in the works, so stay tuned for updates and how you can get involved.

You remember what we live by, “Nothing is free in District B!” We believe in community buy-in, so let’s work together to make our neighborhoods the best they can be.

I hope you enjoy this issue of the newsletter. We work really hard to bring you news and updates that we hope you can use.

Also, please remember to watch for pedestrians on our streets.

Hope to hear from you soon,

Marilyn

Fun with our Seniors

We love our the seniors and enjoy going into their various communities through District B. They kept us busy throughout the holiday season.

Ardiente Senior Community

In November, we went out to Ardiente for a “Dessert and Discussion.” By going in the evening we hope to meet some new folks that can’t make it to lunch. We were joined by Rayleen Earney, from the Southern Nevada Health District’s Office of Chronic Disease Prevention and Health Promotion.

Cora Coleman Senior Center

With our friends from the Southpoint doing all the cooking we were able to serve up a great dinner for the folks at Cora Coleman. We appreciate their generosity and hard work, which left us time to enjoy some music and holiday spirit.

The Fun continues...

Sun City Aliante

It wouldn't be the holidays without our annual Holiday Luncheon at Aliante. We invited the Legacy High School Choir to join us and share some holiday cheer.

Seniors and Preschoolers

We headed to Moapa Valley to host our Seniors and Preschoolers cookie decorating event. This was our 2nd year and we were thrilled at the number of folks that joined us this year. After all the decorating, we served lunch and enjoyed a visit from Santa! A big thank you to our Parks & Rec Team for all of their help and support!

EVERYBODY COUNTS DON'T BE INVISIBLE

literally. everyone.

Every ten years we get ONE chance to determine how our collective money (\$800 billion per year) and political power (congressional seats) will be distributed for the next decade. Census data informs many decisions that affect our communities, economy and democracy. Participating in the census is our opportunity to ensure that our communities receive their fair share.

- A** **What is the census?**
A 10 question survey and nationwide headcount of how many people live in the U.S and where.
- B** **Why does the census matter?**
It's data that fuels our democracy and enables the government to determine how much the \$800 billion federal budget (each year) is sent back to each state.
- C** **Who is counted?**
Since 1790, a count of every person living in the U.S. has been mandated by our constitution.

- D** **How does the census affect me?**
The federal government allocates a certain amount of dollars per person per year. These dollars support your community to fund hospitals, school lunches, daycare, highways and more.
- E** **Where do we receive the census?**
You will receive a notice in the mail to your house in March 2020 with directions on how to respond online, by mail or by phone.
- F** **What happens after the data is collected?**
The government uses the population data to determine:
 - How many dollars each state, county and community will get back from our shared taxes
 - How many of the 435 seats in Congress each state gets based on population count

Will my information be kept confidential?

Yes. Under the law, Census data can only be used for statistical purposes. Title 13 of the U.S. Code requires respondent's information to be kept confidential and guarantees personal information will not be used against respondents in court or by a government agency.

Personal census information cannot be disclosed for 72 years (including names, addresses, and telephone numbers).

Census Bureau staff who have access to personal information are sworn for life to protect confidentiality and are subject to a \$250,000 fine and/or up to five years in federal prison for wrongful disclosure of information.

For census takers in Clark County the pay starts at \$16.50 per hour.

“Giving Thanks” Event

In November, we added a new Thanksgiving dinner event at the Carefree Manufactured Home Community. We try to do events that showcase communities that have been good partners with us throughout the year and have worked hard to build a safe family community. Since “nothing is free in District B,” we had the children write “What They Were Thankful For” essays for a month with weekly winners and a grand prize winner. We also collected donations to send overseas to our Nellis service people and had the families help assemble the gift boxes. We had a fantastic dinner with youth from the Spring Mountain Youth Camp and the Laborers Union helping us cook and serve. Our essay winners received scooters and the grand prize was a bike! We filled a room with donations for Nellis and included thank you notes for the service men and women colored by the children.

Old Fashioned Christmas

Since they made Santa's nice list for the 2nd year in a row, we found Santa and headed to Liberty Village Apartments to host an "Old Fashioned Christmas" party. We served pasta, sausage and ham cooked by the culinary team at Spring Mountain Youth Camp, decorated sugar cookies, had a hot chocolate bar, made ornaments and had visits with Santa, including a toy for each child.

THINGS TO DO & UPCOMING EVENTS

February 29 Clark County Government Surplus Auction - Clark County hosts three **Government Surplus Auctions** a year on select Saturdays at a storage yard located at 4320 Stephanie St. Auctions begin at 8 a.m. Auctions in 2020 will take place on the following Saturdays: February 29, May 16 and November 21.

Items sold include vehicles, electronics, computers and other miscellaneous property used or acquired by Clark County and participating government agencies. Hanging out with Councilman Scott Black

Christmas at Guy Elementary School

While in North Las Vegas with Councilman Scott Black and the NLV Fire Dept., we headed out the Guy ES to surprise some students for a Christmas treat.

Silver Mesa Senior Center

After visiting with the students of Guy Elementary School, we made the Silver Mesa Senior Center our next stop and crashed their Christmas party. While there we tried our luck with some Hula Dancing. We made for great entertainment!

Thank you for taking a moment to look into District B.

Please reach out to us with community events, questions or requests for information.

Asian-American Pacific Islanders Community Commission (AAPICC)

The Asian-American Pacific Islanders Community Commission (Commission) was re-established at the July 16, 2019 Board of County Commissioners meeting. Among its duties, the Commission is required to conduct a feasibility study regarding the creation of an Asian Cultural Center and identify the needs of the various Asian-American communities.

The AAPICC is currently conducting a survey to determine the socioeconomic needs of the various Asian-American and Pacific Islander residents of the County. Responses to this survey will be kept confidential. Additionally, all responses will be combined with those of many others and summarized in a report to further protect anonymity.

This is not a government census questionnaire.

You may find the survey at:
