

RURAL CONNECTIONS STATE CHAMPS!!!

For the first time in 45 years, the Indian Springs Thunderbirds are the Class 1A State Baseball Champions! On Saturday, May 19th they claimed the title after a 12-2 victory over Pahrnagat Valley at North Valleys High School in Reno. As the team returned to Indian Springs late that night, the Indian Springs Volunteer Fire Department met the bus at the edge of town and escorted them to the school with lights flashing and sirens blaring. There the team was met with cheers and signs by the community welcoming them home.

Obstacles, Water & Fun at the 2018 Warrior Competition

The Indian Springs Volunteer Fire Department held their annual Warrior Competition on Saturday, May 26th at Trucks Field in Indian Springs. A total of 36 kids competed in 4 age groups. The kids dived, dashed and jumped through 10 obstacles with 6 of them being timed. The obstacles included favorites from past years, like the belly mud crawl and the fire hose carry, but a few new ones were introduced this year to keep the competitors on their toes. And, the event wouldn't be complete without a good, sudsy slide on the slip-n-slide to end the course.

Warrior Winners

Ages 5-7: 1st Randy Giarla, 2nd Mila Legan, 3rd Robyn DiGregorio

Ages 8-10: 1st Jonas Dederich, 2nd Jenna Purcell, 3rd Elizabeth Vaughn

Ages 11-13: 1st Dominic Purcell, 2nd Robert Clifford, 3rd Esperanza Rhynard

Ages 14-18: 1st Eric Pele, 2nd Chad Witte, 3rd Anthony DiGregorio

New AED Machines Installed at Mt. Charleston Properties

With funding provided by the Mt. Charleston License Plate Grant Program, the Mt. Charleston Fire Protection District (MCFPD) purchased and installed AED machines at the Mt. Charleston Lodge, the Mt. Charleston Cabins Office, the Resort at Mt. Charleston, and the Metro Substation. In May, the MCFPD also hosted free CPR and AED training for area residents and employees. The training sessions were well attended and the MCFPD has applied for another grant to be able to provide additional training classes in the future. For more information about future training opportunities, visit <https://mcfpdnv.org/>

For those that may be unfamiliar with AEDs, here's a little information for you. The term AED stands for "automated external defibrillator." It is a portable electronic device that automatically diagnoses life-threatening cardiac arrhythmias and is able to treat them through the use of electricity called defibrillation. This application of electricity which stops the arrhythmia, allows the heart to reestablish an effective rhythm.

Clark County Parks and Recreation

Indian Springs
Volunteer Fire Department
For Their Annual 4th of July Celebration

“Let Freedom Ring”

July 4th Schedule of Events

Parade Starting at 4:30 PM

The parade route will be going up McFarland Ave. right on Raleigh, right on Sky Road, ending back at the old gas station. There are several good places to watch...

Celebration Starting at 5:00 PM until 8:30 PM

The event is being held at the Indian Springs Community Grass Park. We are hoping to create a family fun event that the whole town will love! There will be several games and activities for the kids. Entertainment provided by DJ Mike Fox & Company. John Mull's Road Kill Grill is catering the celebration.

ISVFD Members and Associates are selling the dinner tickets for \$10.00 per plate...

Each dinner plate includes all of the following:

Chicken, Ribs, Baked Beans, Mac N Cheese, and a Dinner Roll!!!!

Please help us spread the word. The more people in attendance, the greater success and awesome time to be had by all!!!

We are still looking for parade entries. No entry fee. Please contact Jessy Fannin 702-672-7343 or Teresa Hazel 702-879-3890 if you are interested.

Children’s Summer Program: Canyon Club

Looking for something educational and fun for your kids to do this summer? The Southern Nevada Conservancy is presenting a season-long children’s program series focused on the natural history of beautiful & wild Red Rock Canyon called The Canyon Club.

On select Wednesdays throughout the summer, kids will be able to explore fun topics with hands-on activities, games, and crafts. Children ages 6–8 are encouraged to participate in this program with their family and can sign up for multiple dates! Programs occur during the morning and usually last about two hours.

- June 6 – Geology
- June 13 – Birds of Prey
- June 20 – Plants & Pollinators
- June 27 – Mammals
- July 11 – Reptiles
- July 18 – Archaeology
- July 25– Leave No Trace Outdoor Ethics
- August 1 – Energy & Weather
- August 8 – Wildfire (and Smokey Bear’s Birthday)

To find out program times and to register, please call 702-515-5367.
