V. Informational Items

1. Review that the Transform Clark County Land Use Plan accurately applies compatible density or intensity conversions from the existing land use categories to the proposed land use categories (for discussion only)

Mario Bermudez, Comprehensive Planning, discussed that the Master Plan is being updated since it has not been updated since the 90's. This process began in 2020 and the development code is

looking at a possible adoption in Spring of 2023. Currently they're changing the names, categories, and colors on the planning map. This will not have an impact on the rural areas. This will go before the Board of County Commissioners on November 16th for adoption and will return to the town board at a later date to discuss the portion which will include changes to residential designations.
