NOTIFICATION OF APPLICATION PERIOD FOR SHORT-TERM RENTAL UNIT LICENSES IN UNINCORPORATED CLARK COUNTY

To All Interested Parties:

Starting on **September 13, 2022, through March 13, 2023** (“the application period”), the Department of Business License will be accepting applications for business licenses to operate a Short-Term Rental Unit. Applications will be available either through our online portal or submitted in-person by appointment only. To apply online or schedule an appointment, please visit: www.clarkcountynv.gov/businesslicense/STR.

The County ordinance regulating Short-Term Rental Units that was adopted by the Board of County Commissioners on June 21, 2022, is available for review on the County’s website at www.clarkcountynv.gov/businesslicense/STR, under the Adopted Clark County Ordinances section.

Upon submission of an application, an identification number will be assigned to the application. Please note that during the application period, changes to an application will not be accepted. Following the close of the application period, the identification numbers will be placed in a random number generator to determine the order of priority in which the applications will be processed.

Submission of an application does not guarantee approval or issuance of a license. Applications are subject to review and investigation by the Department of Business License and other related agencies as applicable. Additional information on application requirements, including a comprehensive Frequently Asked Questions (FAQ), can be found at: www.clarkcountynv.gov/businesslicense/STR.
