# Mail Ballot Drop-Off Deadline

## 7:00 p.m. on Election Day

Per NRS 293.269921

**Drop Box Deadline:** By 7:00 p.m. on Election Day, you may deposit your voted mail ballot in an official drop box, including if you were waiting in line at a drop box by 7:00 p.m. The **ONLY** exception is if a court order extends voting hours by requiring the polls to stay open after 7:00 p.m. on Election Day.

**If You Are Late:** Drop off your ballot by 8:59 P.M. on Election Day at the U.S. Post Office below to ensure your ballot has an Election Day postmark.

### Remember:

- **ENVELOPE:** Seal your voted mail ballot inside your postage-paid return envelope with your pre-printed name and address. You **MUST** use that envelope to return your voted mail ballot. If you do not have your envelope, voting sites can provide a replacement during voting hours.
- **SIGNATURE:** Sign the outside of your return envelope before depositing it.
- **DO NOT:** Do not sign the ballot itself.  
Do not put your voted mail ballot in another voter's return envelope.
