Welcome to the New Registrar of Voters, Lorena S. Portillo

We are pleased to announce the appointment of Ms. Lorena S. Portillo as the new Clark County Registrar of Voters. The Board of County Commissioners made this appointment at its March 21, 2023, meeting. Although Ms. Portillo is new as the Registrar of Voters, she is not new to elections.

Ms. Portillo began work with the Clark County Election Department in 1998. During her 25-year career in the Election Department, she has accumulated a wide variety of election-related experience. Ms. Portillo has consistently advanced within the Election Department and most recently was the Assistant Registrar of Voters. Ms. Portillo's outstanding skills and specialized expertise in Nevada elections will ensure Clark County continues its tradition of honest, fair, and transparent elections that are responsive to the needs of all eligible voters.

Please join us in congratulating and welcoming Ms. Portillo as she takes charge in her new role.

2024 Presidential Preference Primary

Overview

Nevada no longer has presidential caucuses. If a major party has more than one presidential candidate officially running in Nevada, we will have a **Presidential Preference Primary (PPP) on Tuesday, February 6, 2024**, for that party as part of the nationwide process to choose the Democratic and Republican presidential candidates for the November General Election ballot. **Early voting for the PPP will be seven days, from Saturday, January 27, to Friday, February 2.** The PPP will generally be run like any other election here except that: (1) Early Voting is only seven days instead of 14, and (2) you may vote only if you are registered as Democratic or Republican and your party has more than one candidate officially running in Nevada.

Only voters who have Democratic or Republican as their party in their registration may vote in this election. Existing Clark County voters may update their political party affiliation online (www.registertovotenv.gov) or in person when they check in to vote using the same-day registration updates process. New Clark County voters may also register online (www.registertovotenv.gov) or in person when they check in to vote using the same-day registration process. Other options for registering to vote or for updating your existing registration are available at www.clarkcountynv.gov/government/departments/elections/services/voter_registration/reg-ways.php.

Like any other election in Clark County, the Clark County Election Department will conduct the PPP. Like all elections in Nevada, it will be an all-mail ballot election. In-person voting options will still be available during Early Voting and on Election Day.

Non-Major Party Candidates

Candidates whose party affiliation is anything other than Democratic or Republican will not participate in the PPP. These candidates will go directly to the General Election ballot. For more information about this, contact the Secretary of State's office (www.nvsos.gov/sos/sos-information/contact-us).
