AB192: Existing law prohibits electioneering inside a voting site or within 100 feet from the entrance to the building or structure in which it is located. This bill modifies the definition of electioneering to include, among other things, “campaigning for or against a candidate, ballot question or political party by... buying, selling, wearing or displaying any badge, button or other insigne which expressly refers to any political party or a candidate or ballot question to be voted upon” in the current election. Mail ballot envelopes, recounts and contests of presidential electors, tampering with election equipment, and other matters are also covered in this bill.

AB286: Registering and voting in jails by detainees (persons not yet convicted of a crime), as well as matters related thereto, are topics covered by this bill.

SB216 and **SB327:** Both of these bills provide for coordination by specific dates between Indian tribes and election authorities for Election Day and Early Voting sites, mail ballot drop boxes, and the Secretary of State’s system of approved electronic transmission (**EASE**) for registering and voting.

SB317: A person experiencing homelessness who resides at a provider of homeless services may use the provider’s address to register to vote and receive voting materials by mail.

SB406: Nevada statutes now make it specifically unlawful to use or threaten or attempt to use any force, intimidation, coercion, violence, restraint, or undue influence with the intent to interfere with the performance of duties of election officials or retaliate against election officials for the performance of such duties. It is also unlawful to disseminate certain information about election officials.

SB418: Candidates for Nevada Supreme Court, Court of Appeals, District Court Judge, Justice of the Peace, and Municipal Court Judge who are not incumbents **MUST** submit a questionnaire when they file for office. It will include information on their education and qualifications. Incumbents **MAY** also choose to complete this questionnaire. The filling officer must publish the questionnaire on the Internet.

SB428, **AJR1**, **AJR10**, and **SJR7:** All of these require ballot questions in 2024. Note that AJR1, AJR10, and SJR7 were all passed in both the 2021 and 2023 Nevada legislative sessions.

- **SB428:** Whether the Sales and Use Tax Act of 1955 should be amended to provide an exemption from the tax for child and adult diapers.
- **AJR1:** Whether the Nevada Constitution should be amended to add and revise terms relating to persons with certain conditions for whose benefit certain public entities are supported by the State.
- **AJR10:** Whether the Nevada Constitution should be amended to remove language authorizing the use of slavery and involuntary servitude as a criminal punishment.
