QUESTION 1: What did you accomplish during this reporting period?
How did these accomplishments help you reach the goal of your project?
If relevant, what indicators or benchmarks were used to determine your progress?

This quarter we attended a virtual quarterly meeting and completed the meeting summary, reviewed the Draft IPB report, completed the MDT vegetation occupancy analysis and submitted it to Ecosphere, and began analysis on the tortoise settling rates data.

QUESTION 2: What, if any, problems were encountered? Briefly describe those problems and the manner in which they were dealt.

There were no significant problems encountered this quarter.

QUESTION 3: What, if any, proposed activities were not completed? Briefly describe those activities, the reasons they were not completed and your plans for carrying them out.

All activities that were supposed to be completed were completed.

QUESTION 4: What is the calculated percent of work completed?

The calculated percent of work completed is 40%, based on the number and budget of completed milestones and deliverables.

QUESTION 5: Do you foresee any upcoming problems with future project activities? If so, how do you propose to overcome those problems?

There are no foreseen upcoming problems.

QUESTION 6: Is there anything else you want to tell the DCP about this project?

Not at this time.
