Ever Wanted to Drive a Luxury Electric Vehicle? Now's Your Chance at Caesars Palace's EV Roadshow!

In the market for a new car or just want to kick some tires and learn more about electric vehicles without the hassle of a sales pitch? Take an EV for a spin in a fun, interactive, no-pressure atmosphere at the **Electric Vehicle (EV) Roadshow**, 11 a.m. to 1 p.m. Wednesday, Aug. 7 at Caesars Palace!

What: Electric Vehicle Roadshow at Caesars Palace

When: Wednesday, Aug. 7, 11 a.m. to 1 p.m.

Where: Caesars Palace, Parking Garage Level 3, 3570 Las Vegas Blvd. S., Las Vegas

Presented by the Southern Nevada Clean Cities Coalition, an All-In Clark County initiative, the EV Roadshow will feature vehicles from Gaudin Porsche of Las Vegas, Lexus of Las Vegas, Rivian and Towbin Alfa Romeo. Trek Bikes will also be on hand to showcase an array of e-bikes.

Highlighting its commitment to electrification, Caesars Entertainment is showcasing its installation of 20 new EV charging points at Caesars Palace: two single stations and eight dual stations. This is Caesars Entertainment's first step toward installing a total of 114 EV charging points at its Clark County properties, which is scheduled to be completed by the end of September.

###

Located in Clark County, Nevada, the Department of Environment and Sustainability (DES) is the region's air pollution control agency. DES also administers the Desert Conservation Program and leads the All-In Clark County initiative to address climate impacts in Southern Nevada. Whether it's protecting the air we share, protecting species like the desert tortoise or making home and vehicle electrification easier for residents, our team is united by our shared passion to create a cleaner, healthier, more sustainable Southern Nevada.

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 11th-largest county and provides extensive regional services to 2.4 million citizens and 43 million visitors a year. Included are the nation's 7th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The County also provides municipal services that are traditionally provided by cities to 1 million residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development.
