

Transferring a Dust Control Operating Permit (DCOP)

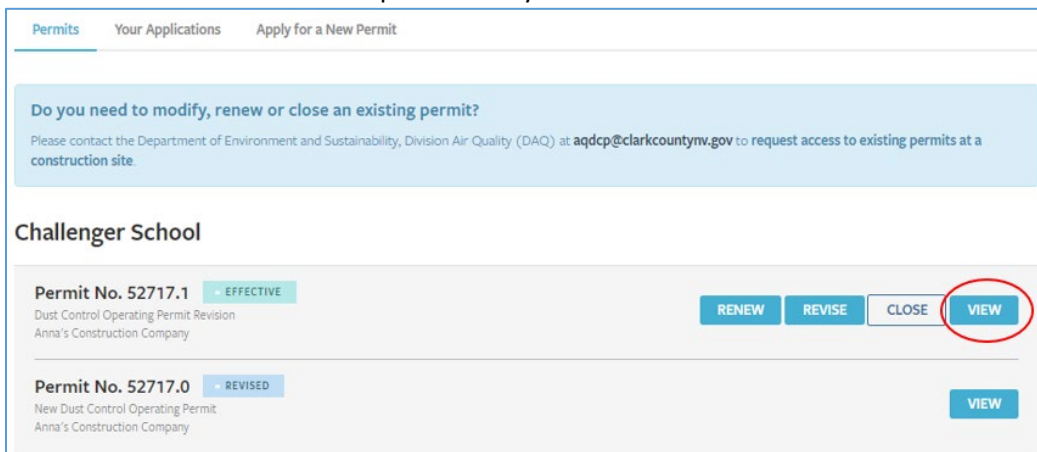

In order to transfer a DCOP, the existing/current permittee and new permittee must coordinate with each other. Below are the steps that each must make in order to transfer the permit.

A DCOP with outstanding fees cannot be transferred.

An expired DCOP cannot be transferred.

Existing/Current Permittee

1. Existing/current permittee must initiate the transfer.
2. Login to the Dust Control Permitting Portal.
3. Click on the View button of the permit that you would like to transfer.

- Click on the Transfer Permit button.

1. The recipient will receive an email that includes a claim code.

[Test] Dust Control Operating Permit No. 52718.1 - Transfer Request Initiated Inbox x

noreply@doh.hawaii.gov
to me

2:50 PM (4 minutes ago)

The transfer of Dust Control Operating Permit No. 52718.1 for the Coffee Bean Ranch project was initiated. In order to continue the transfer, you must claim the permit and submit an application.

If you do not have a Dust Control Permitting Portal user account, go to <http://eha-test-cloud.doh.hawaii.gov/aqms/> to create an account.

If you already have a Dust Control Permitting Portal user account, go to <http://eha-test-cloud.doh.hawaii.gov/aqms/#!/ext/claimTransfer> to claim this permit.

The permit transfer claim code is:

5728c793-d65c-41f1-8c23-a6d186477a89

Copy and paste this claim code into the provided field in the portal. Note that a claim code can only be used once.

***If the recipient that the current permittee listed is not the responsible party, they can forward the email to someone who is. However, the claim code can only be used once.

***If the recipient does not yet have an account in the Dust Permitting Online Portal, they will need to create one, then return to the email and click on the ...claimTransfer link.

- When the link opens, you will be prompted to enter the claim code. Copy and paste the code from the email into the Dust Control Permitting Portal, and select Claim.
