

# Traffic Restrictions Week of December 15<sup>th</sup> – December 21<sup>st</sup>

-  Fort Apache Road between Blue Diamond Road and Ford Avenue will no longer utilize the detour on the west side of Fort Apache. All traffic will remain on the east side of the street. Be cautious of new traffic control setups.
-  Southbound traffic on Fort Apache will transition to the east side of the Fort Apache at Ford Avenue. Vehicles will no longer be able to turn left from Emerald Youth Road onto Fort Apache Northbound due to installation of median islands.
-  West half of Fort Apache between Presley Glen and Pebble has been removed to install storm drain boxes under new roadway. Large excavations is required. Be cautious of heavy equipment and personnel working in this area.
