In all cases the burden of proof to be applied shall be preponderance of the evidence standard.
4. For the purpose of resolving grievances at the earliest possible point in time, the party bearing the burden of proof will make full disclosure of any and all the facts and evidence which bear on the grievance, including but not limited to furnishing copies of evidence, documents, reports, written statements and witnesses relied upon to support their basis of action. Step 1 – Initial filing of grievance and department head response

The party/parties, who believes that he/she has a grievance relating to the interpretation and application of the express terms of this agreement, or for disciplinary matters as defined in Section 1 of this Article, shall reduce the grievance to writing utilizing a standardized format and submit it to the employee's Department Head within ten (10) working days after the affected employee first knew or should have known of the contract violation, or within ten (10) working days from the date of the disciplinary action. Meeting with the aggrieved party/parties in accordance with Step 1 and/or Step 2 of the grievance process as defined in this Article shall not be construed to mean the County agrees the aggrieved party has an actual grievable issue and shall not be evidence of same at any subsequent hearing. A grievance relating to the interpretation and application of the express terms of the agreement shall cite the violated Article and Section of the agreement and shall set forth the details of the violation. If the grievance is based upon a disciplinary matter, as defined in Section 1 of this Article, the notice of discipline, along with all ensuing meetings and actions, shall follow the requirements of this Article. Within ten (10) working days of receipt of said grievance, the department head or designee, a human resources representative or liaison, an Association representative, and the aggrieved party/parties will meet to try to resolve the grievance. If desired, both parties may choose an additional representative who may attend the meeting. The Department Head or designee will provide notice of at least three (3) to five (5) working days for said meeting. The notice must include: the date, time, and place of the meeting. If the grievance is not resolved at the meeting, the Department Head or designee shall have five (5) working days from the date of the meeting to respond in writing to the grievance.

Step 2 - County Manager response

If the grievance is not settled in Step 1, the aggrieved party/parties may, within five (5) working days of the receipt of the Department Head's decision, file the

grievance with the Clark County Human Resources Director or designee as representative of the County Manager. The County Manager or designee will, within ten (10) working days of receipt of said grievance, meet with the aggrieved party/parties to try to resolve the grievance, giving at least five (5) working days' notice of said meeting. If the grievance is not resolved at the meeting, the County Manager or designee shall have five (5) working days to respond in writing to the grievance giving their decision.

Step 3 - Arbitration

- A. If the Step 2 decision is unacceptable, the aggrieved party/parties may make a written request for arbitration within five (5) working days of receipt of the Step 2 decision. In such event, the parties shall meet within ten (10) working days of the written request for arbitration. At this meeting, the parties will jointly request the American Arbitration Association (AAA) to furnish a panel of five (5) arbitrators from which the arbitrator shall be selected. Both parties shall make every effort to mutually set forth the issue(s) to be arbitrated in advance of the arbitration hearing date. The selection shall be accomplished by the Association first, and the County next, each striking one (1) name from the list in turn until only one (1) name remains.
- B. The arbitrator's decision shall be final and binding on all parties to this agreement as long as the arbitrator does not exceed their authority set forth in paragraph (d) below and as long as the arbitrator performs their functions in accordance with the case law regarding labor arbitration, the provisions of the U. S. Uniform Arbitration Act, and where applicable, the NRS.
- C. The expenses of arbitration shall be borne equally by the aggrieved party/parties and the County. Expenses incurred by any party in the preparation or presentation of its case are to be borne solely by the party incurring such expense.
- D. Only one (1) grievance may be decided by the arbitrator at any hearing; however, the parties may mutually agree to waive this requirement. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this agreement. The arbitrator is without power to issue an award inconsistent with the governing statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the aggrieved party/parties and the County, and the decision and award shall be based solely on their interpretation of the application of the

express terms of this agreement. Any and all settlements or awards, including back pay and benefits, issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator. Subject to the provisions of Section 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the aggrieved party/parties or the County to comply with the time limitations set forth above unless mutually agreed by both parties.

Section 3 – NERC/OOD Procedure

The parties recognize that the Office of Diversity (OOD) has authority and jurisdiction as set forth in the County's Equal Opportunity, Non-Discrimination and Anti-Harassment Policy.

The County Manager, or their designee, may assign the investigation of a complaint to staff outside of the Office of Diversity (OOD):

1. To avoid a conflict of interest;
2. To a person who possesses specialized expertise in conducting like investigations; or
3. To redistribute workload.

If an OOD investigation is assigned to alternate staff, the subsequent findings and/or recommendation will be deemed final for purposes of this section. Employee(s) being investigated shall have the right to Association representation commencing at this level and continuing throughout the entire procedure.

If discipline results from an investigation, employees are eligible for Step 1 and Step 2 meetings, and Step 3 arbitrations as defined in Section 2 of this Article. The discovery provisions set forth in Paragraph 4 of this article shall not apply to matters investigated by OOD or by a corresponding State or Federal agency. However, 1) if the Department Head chooses not to conduct the Step 1 meeting within the time frames, then the case will be heard at the next level; 2) if the matter proceeds to the arbitration process, then in addition to satisfying the standard requirements and qualifications for an arbitrator, the arbitrator who hears matters under this Section must have training or expertise in the application and interpretation of civil rights laws.

ARTICLE 12 Personnel Layoff, Recall and Appeal Procedure

Layoff is defined as any involuntary separation wherein management eliminates

a position without prejudice to the incumbent because of lack of work or funds.

The determination of the number of positions and classifications to be affected by a layoff is a management right. The County and the Association agree that layoff and recall of personnel and appeals of these actions as it pertains to employees covered under this Agreement shall be accomplished as follows.

Section 1 - Layoff

1. Temporary and probationary employees in the department shall be laid off first.
2. If additional layoffs are necessary, employees will be laid off based on the following criteria, in the following order:
 - a. The seniority of the employees in the classification series within the department, with the least senior employees being laid off first.
 - b. If two or more employees have identical seniority levels within the department, the employees with the greater length of county service, as determined by the employee's hire date, shall be given seniority preference.
 - c. If a tie still remains, then preference will be given based upon the last four (4) digits of the employee's social security number with the smaller number given seniority.
3. To provide for the continued operation of the County, each department head may exempt 5% of the total number of positions authorized in the current budget within his/her department and retain them regardless of seniority. In the event that the 5% does not equal an exact number of employees, the fraction shall be rounded off to the next higher whole number.

An employee can request clarification on seniority dates from the human resources director or designee.

4. No permanent employee initially hired into and serving in a grant-funded position or term position may initiate a bump into an unlimited County-funded position. However, a grant employee can bump other grant employees based on seniority as defined in Section 1, Subsection 2.
5. Employees who were promoted or assigned to a grant-funded position from an unlimited, County-funded position may bump into his/her previously held position if they have more seniority than the employee they are bumping.

6. Any permanent employee who is to be laid off will have an option to demote to a previously held lower classification by bumping the least senior employee in that lower classification, provided the bumping employee:
 - a. Has more seniority than the employee being bumped. The Letter Of Agreement between the Juvenile Justice Probation Officer's Association (JJPOA) and the Juvenile Justice Supervisors Association (JJSA) is included as an attachment to this contract. This is a mutual agreement to permit employees to bump into the Juvenile Probation Officer classification as a result of a layoff.
 - b. Meets the minimum occupational qualifications; and
 - c. Takes a reduction in pay if the salary is above the maximum of the range.
7. Separation due to layoff shall require the County to give at least two (2) weeks notice to the employee and the Association. Upon receiving the notice, the employee may select payment in lieu of the notice and be compensated for an equivalent amount of the employee's base salary by the County.
8. An employee shall have no right to grieve any provision of this Article.

Section 2 - Recall

1. Any permanent status employee laid off under this Article shall, based on seniority, have his/her name placed on an appropriate County recall list(s) for a period of two (2) years. Previous employees shall be notified by certified mail, return receipt requested, at their last known address and shall, within ten (10) calendar days of receipt, respond affirmatively, by certified mail or in person, that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list(s). An employee must be available for work within two (2) weeks of acceptance of the offer.
2. When positions become available in a classification in the department, personnel who have been laid off or reduced in grade in that classification from that department shall be recalled at the Department Heads determination in inverse order of layoff. The order of recall shall be:
 - a. Employees who are reduced in grade;
 - b. Former laid off employees who held a position in the same class;

- c. Former employees who held a position in the same series as long as the position is at the same or lower level than the position they previously held.

If there are no applicants from the recall list, the department will fill the vacancy from an open or promotional eligibility list. In the event that a classification has only had a change in title, employees on the old recall list(s) shall be placed on the new respective list(s).

3. Upon recall after layoff, the time that the person was on layoff shall be counted as a break in service (see section 3 below).
4. Upon an employee's return from a recall to his/her title held at layoff, an employee's pay will resume at the same pay rate as at the time of separation, minus any applicable contractually mandated salary decreases. Additionally, the pay will not exceed the top of the range.

Section 3 - Definitions

1. Breaks in Service:

All seniority is based upon total continuous county service. Continuous county service shall be defined as the combined length of service after date of initial hire with the county in the classification or classification series. Seniority is not interrupted by the following non-inclusive list:

- Disability leave
- Layoff if recalled
- Authorized leave without pay
- Approved FMLA leave
- Approved worker's compensation
- Approved catastrophic leave
- Any member who is ordered to active military duty shall continue to earn seniority during the period consistent with the Uniformed Services Employment and Reemployment Act (USERRA).

*Seniority dates will be adjusted to account for breaks in service for approved unpaid leaves of absence including lay off. *

The following non-inclusive personnel actions will cause a break in seniority:

- Resignation
- Removal for just cause
- Failure to return from a leave of absence

- Failure to respond to a recall from layoff
 - Disability separation
 - Disability retirement
 - Unauthorized leave without pay
 - Incarceration
 - Job abandonment
2. Seniority within classification is determined by the effective date in the title in the department except when the employee has transferred, promoted, demoted, or reassigned into the department within the same classification or classification series. Seniority will be bridged if the classification or series is the same.

ARTICLE 13

Basic Workweek

1. The official workweek is comprised of seven (7) workdays which begins on each Saturday at 12:01 a.m. and shall end at midnight of the following Friday. The official workday shall begin at 12:01 a.m. and shall end at midnight. Except as may be otherwise provided, an employee who occupies a full-time permanent position shall work 40 hours, including meal and rest breaks, in each workweek. The Department Head or his/her designee will be the final arbiter on an employee's work schedule. Such decision shall include but not be limited to operational demands.
2. Employees working a 5-day, 40-hour week (designated 5/40) shall work eight (8) hours per shift for five (5) shifts within the official workweek, and shall receive two (2) consecutive "24-hour periods off". Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
3. Employees working a 9/80 Alternative Work Schedule shall work nine (9) hours per shift for four (4) shifts each week of the pay period, and shall work eight (8) hours for one shift on one week of the pay period. Employees shall receive three (3) "24-hours periods off" of which two (2) 24-hour periods must be consecutive on the thirty-six (36) hour week. Employees shall receive two (2) "24-hour periods off" that must be consecutive during the forty-four (44) hour week. The eight (8) hour shift will be scheduled the same day of the week as the third "24 hour period off." Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
4. Employees working a 4-day, 40-hour week (designated 4/40) shall work ten (10) hours per shift for four (4) shifts within the official workweek, and

shall receive three (3) "24-hour periods off" of which two (2) 24-hour periods must be consecutive. Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.

5. The hours between the end of an employee's last regularly scheduled shift and the beginning of an employee's first regularly scheduled shift following his/her scheduled 24-hour periods off shall be considered his/her weekend.
6. Employees shall be granted one (1) 15-minute work break for each period encompassing four (4) hours of work during the course of their shifts. A supervisor shall not schedule such breaks within one (1) hour of the employee's starting time, quitting time, or meal breaks.
7. Meal breaks are neither time worked nor time on pay status unless an employee is required by the County to remain on the job at a workstation or the employee is interrupted by his/her supervisor to perform substantial duties during such period. An employee who remains at a workstation during his/her meal break, but is not required to do so by the County, shall not be compensated for the meal break. In the event an employee is required to work four (4) hours or more beyond the end of their scheduled shift, that employee shall be granted an additional meal break.
8. Subject to the provisions of NRS 288.150 (4), nothing herein shall be construed to limit the authority of the County to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies.
9. Within 30 calendar days of request, the department head or designee(s) will meet with the requesting employees to determine and identify those work sections within the requesting employees' department wherein the majority of the employees desire a schedule change from five (5) 8-hour shifts per workweek (5/40) to four (4) 10-hour shifts (4/40) or some other established work schedule and the practical and feasible aspects of such change. Such discussion may also be included as a topic in the Labor/Management and Safety committee as provided for in Article 10 of this Agreement.

Where it is determined by the department or designee and the employees that the conditions and circumstances allow for an adjustment in work schedule, the affected department head shall have the authority, subject to the approval of the County Manager to effect such change, including the discretion to institute a "trial" period for the purpose of evaluating same based on agreed upon performance standards and objectives.

10. No permanent employee shall be assigned to a regular schedule that requires him/her to work more than two (2) different shifts in a 40-hour workweek.
11. 24-Hour Shift Assignments: Juvenile Justice Services
 - a. An employee assigned to work a 24 1/4 hour shift will be compensated for 16 1/4 hours at the employees' regular straight-time hourly rate, plus applicable premium pays, for each 24 1/4 hour shift.
 - b. An employee will also receive compensation for eight (8) hours within each 24 1/4 hour shift at the rate of 33% of the employee's regular straight-time hourly rate for each hour. Employees are required to remain at their work sites during this 8-hour period and are permitted to sleep, unless interrupted to return to duty. If an employee is interrupted to return to duty within these eight (8) hours, compensation as defined in this Paragraph will cease while the employee is performing assigned duties, and the employee will be compensated at the time and one-half (1 1/2) overtime rate while performing assigned duties. If the interruption lasts longer than three (3) hours, the employee will be compensated for the entire 8-hour period at the time and one-half (1-1/2) overtime rate.
 - c. Within each pay period, employees will be paid as provided in this Article for their scheduled or authorized hours of work reduced by any time charged as leave without pay.
 - d. An employee absent for a scheduled 24 1/4 hour shift will be charged 16 1/4 hours of leave for each 24 1/4 hour shift in addition to not earning the compensation provided in Paragraph 2 of this Article for the 8-hour "sleep" period. An employee absent for a portion of his/her scheduled 24 1/4 hour shift will be charged leave for the portion absent from the 16 1/4 hour period, defined in Paragraph 1 of this Article, and will not earn the compensation, provided in Paragraph 2 of this Article, for the portion absent from the 8-hour "sleep" period. When an employee is authorized to be absent for the entire portion of the 16 1/4 hour period, defined in Paragraph 1 of this Article, following the 8-hour "sleep" period, the employee may leave the work site during the "sleep" period only with specific authorization from the employee's supervisor.
 - e. Shift differential of four percent (4%) of an employee's regular straight-time hourly rate of pay shall be paid for the portion worked by the employee of the 16 1/4 hour period, defined in Paragraph 1

of this Article, from the start of the 24 1/4 hour shift to the start of the "sleep" period, defined in Paragraph 2 of this Article.

- f. Acting pay will be paid in accordance with Article 20 of this Agreement to an employee meeting the defined conditions and performing duties of the higher classification for five (5) or more consecutively scheduled 24 1/4 hour shifts.
 - g. Holiday overtime pay, as defined in Article 22, Paragraph 3 of this Agreement, will be paid for only the portion of the 16 1/4 hour period, defined in Paragraph 1 of this Article, worked by the employee prior to midnight of the designated holiday. Notwithstanding any provision contained in Article 22 of this Agreement, employees assigned to Spring Mountain Youth Camp working a twenty-four (24) hour shift shall receive pay equal to their work shift schedule.
 - h. Overtime, as provided by Article 18 of this Agreement, may be earned by an employee regularly assigned to work cycles of 24 1/4 hour shifts when the employee works more than 86 hours within the defined 14 day work period. Hours worked includes all scheduled or authorized hours actually worked, excluding any time worked when interrupted during the 8-hour "sleep" period, (normally 16 1/4 hours per shift), and time charged as sick leave. Employees working less than a full cycle of consecutive 24 1/4 hour shifts, but working at least one (1) 24 1/4 hour shift, are entitled to overtime compensation, as provided by Article 15 of this Agreement, for hours worked in excess of 40 in an official workweek.
12. The department may establish an alternative workweek schedule to comply with the Fair Labor Standards Act definition of workweek, Section 778.105 (FLSA Regulations 29 CFR, July 1985) and define the workday. The program shall be implemented in those work sections when the majority of employees desire an alternative workweek schedule and shall comply with Section 8a above.

The initial classification of positions shall be as contained in the current County classification list along with any subsequent amendments thereto.
3. When a former employee is rehired after a break in service of no more than one (1) year from the date of separation, to a position in the same class held at the time of separation, he/she may be paid at, or below, the salary he/she held at the time of separation.
4. When an employee is promoted, he/she shall be entitled to a four percent (4%) salary increase or the minimum rate of the salary schedule to which the employee is promoted, whichever is greater; less any required PERS adjustments. The qualifying period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the evaluation, the employee will either be accepted or rejected for the position. If rejected, the employee will be placed in his/her previous position. The job will be held open for the duration of the promoted employee's qualifying period, or filled at the department heads discretion.
 - b. A promoted employee will retain the right, during the first fifteen

Compensatory time off should be used in the following 90 days, but may be accumulated to a maximum of 200 hours. All requests to use compensatory time must be approved at least 24 hours in advance of the time off in accordance with department policy, except in cases of emergency as determined by the department head or designee.  - b. In the event an employee transfers from one department (within the County) to another, all accumulated compensatory time will be paid to the transferring employee in a lump sum payment within 30 days of the effective date of transfer or transferred with the employee at the discretion of the employee. The employee's election to transfer compensatory time shall be subject to the written approval of the receiving department head.

Standby is defined as time in which an employee is required by the department head or designee to remain at his/her residence or required to carry an electronic pager and be within 30 minutes response capability so that he/she may immediately respond to any calls received. An employee will be compensated for standby time at the rate of one-fourth (1/4) hour pay at his/her regular hourly rate for each one (1) hour period of standby time. Employees on standby called to perform work will be compensated for actual hours worked in accordance with Section 1 of this Article and shall not be subject to the provisions of Section 5.

8. Overtime and standby pay will be added to the payroll for the period during which work is performed and will not be paid for overtime work of less than 15 minutes per day.
9. Overtime and standby pay shall not be paid more than once for the same hours worked.
10. For purposes of this Article, accumulated standby time will not qualify for premium or overtime pay.
11. All employees covered under this Agreement shall be entitled to overtime pay or compensatory time.
12. If a Department requires overtime it shall create a voluntary overtime list, based on classification. Mandatory overtime shall be enacted after the voluntary overtime list is utilized. Employees may be mandated to work overtime, in lieu of, the voluntary overtime list based on specific knowledge, skills and abilities that may be required for the overtime assignment at the Department Head's discretion. The procedures for the implementation and development of voluntary overtime shall be developed under the provisions set forward in Article 10, Labor/Management and Safety Committee. Management shall be reasonable and fair in determining excused reasons for employees unable to work mandatory overtime. Employees shall not be disciplined for excused reasons for not working mandatory overtime. Employees may refuse mandatory overtime provided it is of an emergent nature as determined by the Department Head or designee.

unit that is the same schedule for at least a month. A day shift is defined as any regularly scheduled work shift that begins no earlier than 5:00 a.m., or ends no later than 7:00 p.m. Only regularly scheduled shifts that begin or end outside the 5:00 a.m. to 7:00 p.m. time period shall be eligible for shift differential pay. The amount of shift differential shall be computed as four percent (4%) of base salary for the shift worked. 6. Irregular or emergency hours worked which do not constitute an entire regularly scheduled shift eligible for shift differential shall not be compensated with shift differential.
7. Shift differential shall not be paid for standby hours.

ARTICLE 19 **Acting Pay**

1. Each time a permanent status employee is directed in writing and temporarily accepts the duties and responsibilities of a classification of a higher salary than the employee's for a period in excess of five (5) consecutive shifts worked if the employee is working a standard eight (8) hour per day, five (5) days per work week schedule, or four (4) consecutive shifts worked if the employee is working an approved flexible ten (10) hour per day, four (4) days per work week schedule, the acting employee shall be paid at a rate of four percent (4%) above his/her regular hourly rate or the minimum rate of the classification in which the employee

is working, whichever is greater for the entire period he/she performs such duties. Acting pay is not paid when the employee acting in a higher capacity is off on a holiday, or is in leave status. Acting pay for periods up to 30 calendar days requires the written approval of the department head prior to the effective date of the assignment and may not exceed 30 calendar days without the approval of the County Manager or appropriate Assistant County Manager. No acting pay will be given without the appropriate written approval.

ARTICLE 20 Bilingual Pay

1. Upon the recommendation of his/her Department Head and the approval of the County Manager, an employee will be eligible to receive Bilingual Pay provided the following conditions are met:
 - a. The employee's assigned duties require them to communicate in a second language a minimum of 15% of their time; and
 - b. As a prerequisite to receiving Bilingual Pay, the employee must successfully complete the County's Bilingual Oral Proficiency Examination. The need for a written proficiency examination will be determined by County Management on a case-by-case basis. Competency testing requires fluency in English and the required foreign language or languages.

2. The parties further recognize and agree that:

 - c. Bilingual testing will be scheduled by the County;
 - d. Bilingual premium pay shall be \$75.00 per pay period in a stipend form for each employee determined to be eligible pursuant to Section 1 herein. When an employee begins or ends eligibility for bilingual pay in the middle of a pay period, the stipend will be prorated. The stipend will not be included in the base pay and is not used in the calculation of PERS or longevity; and
 - e. Approved bilingual pay will be subject to annual re-authorization according to the conditions specified in Section 1 herein, with the

exception of bilingual proficiency examinations which shall not be required under the re-authorization process.

3. Bilingual pay will cease when the employee is transferred, promoted, or demoted to a position which does not meet the requirements of Section 1 (a) and 1 (b) herein, as determined by the employee's Department Head.
4. Nothing in this agreement shall prevent the County from using interpreter services where deemed appropriate. The County will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

ARTICLE 21 Salary Adjustment

1. Employees will be eligible for consideration for a salary adjustment within their salary ranges upon:

Employees successfully completing their probationary or qualifying period shall receive a three percent (3%) salary adjustment; and
 - b. Each anniversary date of his/her employment in such class annually thereafter until the top of the salary range is reached in that class. An employee shall be eligible for this adjustment whether occurring at the same or separate time as the probation or qualifying adjustment prescribed above. The anniversary date is normally considered to be that date an employee commences work in that classification to which he/she has been most recently appointed. In the event of an early salary adjustment, the employee's anniversary date will be changed to the effective date of the salary adjustment.
2. For the purpose of determining eligibility for annual salary adjustments, employees shall meet expected performance standards as described in Section 3. Upon meeting such requirements, employees shall then be eligible for a salary adjustment.

Employees shall receive their annual salary adjustment of a four percent (4%) increase unless the employee (1) has received a suspension during the evaluation period, or (2) has a violation of Article 36 of this agreement that results in suspension of leave without pay during the evaluation period, (3) is in leave without pay status for over six (6) months of the

evaluation period, or (4) if the majority of the performance factors received are unsatisfactory. An employee must receive an interim evaluation if they are to be denied a salary adjustment.

An employee shall be informed in writing of the specific reason (s) for the denial of a salary adjustment. In the event an employee has not been advised that he/she is to be denied a salary adjustment within forty-five days from the date he/she is eligible for such adjustment, that employee shall automatically receive a four percent (4%) adjustment retroactive to his/her respective review date.

3. Employees shall receive salary adjustments based on the following prescribed levels of performance "Meets Performance Standards." Probationary and qualifying employees shall be eligible for a three percent (3%) increase.
4. In the event an eligible employee receives no salary increase, the employee shall be entitled to complete an objection form, which will be filed with the Article 21 Appeal and Review Committee by submitting it to the Director of Human Resources. The employee must complete the objection form including an explanation and reasons why the employee should be eligible for a salary adjustment within fifteen (15) days of receiving their performance evaluation. Each employee who chooses to complete an objection form has the option to request that the objection be filed in their permanent record or that the objection form be forwarded for review and possible action by the Appeal and Review committee

The Director of Human Resources will forward to the committee a copy of the objection form, a copy of the interim evaluation, a copy of the annual performance evaluation and any relevant information to be used by the appeals committee for review of objections as outlined in Section 5(b) of this Article.

5. a. The Appeal and Review Committee will meet to develop performance factors for any newly created classifications.
- b. The Association and the County agree to establish an Article 21 Appeals and Review Committee comprised of eight (8) members, four (4) members representing the Association and four (4) members representing the County, with the County and Association each appointing its own members. Its purpose is to (1) review the implementation of the County's merit evaluation process; (2) monitor the quality and quantity of the objections, and make final determinations about increases brought before the Committee for review.

In reviewing the objections to employee performance evaluations, the Committee may be given access to the employee's personnel file, but only with the written consent of the employee.

If the Committee stalemates, the objection process is considered complete. If a simple majority (50% plus one) of the committee votes to sustain the objection, it will have the authority to have a zero overturned and award the employee an increase consistent with this article.

- c. Within each County department, the procedures used to evaluate an employee shall be uniformly and consistently applied in accordance with the guidelines established by Human Resources.

 7. When a salary adjustment is delayed solely through administrative delay or clerical error or is miscalculated in error, the proper adjustment shall be made effective retroactive to the date it was due.
 8. An employee's salary adjustment will be effective the first day of the pay period during which the review date occurs.

No supplemental benefit shall be paid until after the employee's lost-time benefit check has been deposited with the County Treasurer.
3. If an employee entitled to disability compensation has not completed his/her probationary period, or if an employee who has received supplemental compensation for the maximum 380 work hours, is unable to return to work, he/she may elect to utilize accrued sick leave, during which period the employee shall receive compensation from the County as provided in NRS 281.390. If the employee is receiving no compensation for time missed from work through the worker's compensation program, the employee must use leave benefits to fully account for any absence.
4. When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the worker's compensation program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee will be permitted to use his/her comp leave hours. Subsequent to the expiration of the employee's sick, vacation and comp leave, compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status.

ARTICLE 36
Clark County's Substance Abuse Policy

POLICY ON DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of Clark County and the Juvenile Justice Supervisors Association, JJSA, to foster and provide a drug and alcohol free workplace for all employees. A drug and alcohol free workplace protects the safety of the public as well as the County's valuable workforce.

While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy. They are:

- a. Education - The County and Association believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- b. Deterrence - The County and Association are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.
- d. Treatment - The County and Association are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;
- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation.

3. Rules:

The County and Association have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules are:

ALCOHOL

- a. The consumption of an alcoholic beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.
- b. An employee will also be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the consumption of alcoholic beverages is at a time proximate to his or her work time, has an adverse effect on his or her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or County or private property.
- c. The use of alcohol off County premises and while not on duty may be cause for discipline where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- d. In an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- e. The felony conviction of an employee as a result of alcohol while off County premises and not on duty shall be cause for disciplinary action up to and including termination.

DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the workplace or during work hours is prohibited. Employees in violation of this policy will be terminated with no Last Chance Agreement.
- b. The use of any drug which negatively affects performance or the ability of an employee to work in a safe manner may be cause for

discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives (i.e. valium, downers), stimulants (i.e. speed, uppers), hallucinogens (i.e. LSD), cocaine, crack, cannabinoids (i.e. marijuana), opiates, phencyclidine (PCP), and volatile solvents (inhalants).

- c. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.
- d. The possession or use of illegal drugs while off County premises and while not on duty may be cause for discipline, up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- e. If an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- f. The felony conviction for the possession or being under the influence of illegal drugs while off County premises and while not on duty shall be cause for disciplinary action up to and including termination.
- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.
- h. Employees must notify their immediate supervisor of any personal criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Failure to notify the immediate supervisor shall result in disciplinary action.

DRUG AND ALCOHOL TESTING

The County may require an individual to submit to a drug and alcohol test under the following circumstances:

1. Pre-Employment:

Clark County Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name. If the prescription is not in the applicant's name or the applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate drug and alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specified on the "Observation/Incident Report" included in Appendix D of this policy.

3. Post-Accident:

An employee involved in an accident while on duty may be required to undergo a drug and alcohol test when there is:

- a. Property damage, and/or
- b. Personal injury

For the purposes of this Article, an accident is an unplanned happening involving an officer, while in the performance of duty, where no other factors contribute significantly to the resulting injury or damage. An accident is not an incident or series of incidents where mechanical failure,

equipment failure, terrain, environment, weather, or other natural phenomenon significantly contributes to the unplanned happening. An accident is not a physical altercation between an officer and a suspect. An officer's actions or negligence must be the conclusive and primary reason for the reported injury or damage.

4. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the Clark County "Observation/Incident Report". The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of Clark County Human Resources. Supervisors and managers will not be permitted to use this policy as a vehicle to harass employees. Supervisors and managers shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.
- b. If the employee is an eligible member of a bargaining unit, the supervisor is to advise him/her of his/her right to have an Association representative present prior to testing. Allow 30 minutes for an Association representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for an Association representative.
- c. The employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility.

An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident, shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.

- d. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected, the employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the County receives the test results. If the test is negative, the County will make the employee whole.

- e. The results will be delivered by mail or carrier to the Employee Relations Division of Clark County Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative. A drug test will be considered positive if the confirmation cutoff levels established by SAMHSA are exceeded. An alcohol test will be considered positive if the blood alcohol content is .02% or greater.
- f. Refusal to submit to a drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered just cause for termination with no Last Chance Agreement.

DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND ALCOHOL TEST:

1. A positive drug and/or alcohol test requested as a result of reasonable suspicion, or an accident which causes injury to a person or property damage will be cause for disciplinary action in accordance with Section 3 below.
2. A test resulting in a positive outcome for a legal drug will result in the following actions:
 - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
 - b. The employee will provide, within 24 hours or request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified his/her supervisor, the employee will be subject to disciplinary action in accordance with Section 3 below.
 - c. Before the employee may return to work, the employee must provide the department head with a certificate of fitness from the prescribing physician. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions.

3. A test resulting in a positive screen for alcohol and/or an illegal substance or the unlawful use of a legal drug or controlled substance will result in the following action.
 - a. First Offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and shall be required to sign and successfully complete the conditions of a Last Chance Agreement which includes rehabilitation and aftercare.
 - b. Before the employee may return to work the employee must provide the department head with a return-to-duty form signed by a state licensed rehabilitation and treatment program provider releasing the employee to return to work. This must occur within 60 days of the drug or alcohol test date. Failure to provide a return-to-duty form within 60 days will result in disciplinary action up to and including termination.
 - c. Second Offense: The employee will be suspended without pay pending termination.

LAST CHANCE AGREEMENT:

Refusal to sign a Last Chance Agreement shall be considered just cause for termination. The Last Chance Agreement shall be the final step before termination in the disciplinary process. The treatment and aftercare portion of the Last Chance Agreement will be monitored for compliance by the Employee Assistance Program. The Last Chance Agreement shall require at least the following:

1. The employee to contact the employee assistance program within five (5) working days of the employee notification of a positive drug or alcohol test.
2. Compliance with and satisfactory completion of treatment by a Bureau of Alcohol and Drug Abuse Certified rehabilitation program or provider. The Employee Assistance Program will assess and determine the appropriate level of treatment, offering recommendations regarding provider options. The program/provider may be selected by the employee.
3. Enrollment and continued attendance in an aftercare program, as necessary.
4. Return-to-duty form signed by a state licensed rehabilitation and treatment program provider releasing the employee to return to work.

5. A minimum of four (4) random tests over a period of one (1) year from the date of returning to duty. An employee's department head or immediate supervisor, as approved by the department head, may require testing at any time the employee is on duty.

CONFIDENTIALITY:

With the exception of the laboratory testing facility, the Employee Relations and Employee Assistance Divisions of Clark County Human Resources, the tested individual, and the Risk Management Division for workers' compensation incidents, the medical record shall not be released to anyone without express written authorization of the tested individual unless ordered by means or proper legal procedure and appropriate legal authority, such as court ordered subpoena, or in connection with a disciplinary proceeding.

To ensure the confidentiality of employees' medical records, laboratory reports, test results, and Observation/Incident Reports shall not appear in an employee's personnel file. Information of this nature will be contained in a separate confidential medical record that will be securely kept under the control of Clark County Human Resources.

TRAINING:

Training is an essential element in assuring the effectiveness of the drug and alcohol free workplace program. Supervisors and employees must be kept informed of not only the policy and procedures of this drug and alcohol program but of the programs available to them, which promote wellness and safety. 5. An employee's attendance shall be one of the factors included in a formal performance appraisal but shall not be used as the decisive factor in a salary adjustment decision.

ARTICLE 38 **Seniority**

1. The County and the Association agree that a seniority list for each classification, showing the service date and date of last promotion to present classification, shall be established annually, provided to the Association and posted in each Division. 2. It is the County's intention that this JJSA Agreement is to be interpreted and applied uniformly to all employees in the bargaining units under similar circumstances. Department rules and policies will be reviewed and approved by Clark County Human Resources for consistency with the Clark County Personnel Policies and Procedures and this Agreement before implementation.
