- I. **Call to Order** – 9:01am
- II. **Introductions**
- III. **Public Comments** N/A
- IV. **Approval of 7/10/19 CAC minutes** – Approved with 2 minor adjustments
- V. **Approval of Agenda** - Approved
- VI. **Receive the Director's Report on the Activities of the Department of Juvenile Justice Services**
 - a. **Budget/Personnel Update**
 - i. The first position has been filled for Ms. Washington's Quality Assurance team. Satonya Patton is our new Management Analyst and has begun her new duties in this role.
 - ii. A new management position was approved for DJJS and is planned for an additional Harbor location.
 - iii. No update-The budget remains flat for DJJS. Three million dollars was allocated to the expansion of the Harbor. With that assistance, we plan to develop and or provide more elementary programming for developmental differences. At the request of legislators, we are looking in the late Assemblyman Tyrone Thompson's area. Mr. Martin is meeting with Councilman Scott Black on a possible location near MLK and Brookes. There are many possibilities with the old firehouse currently there.
 - iv. Our new Eastside location has opened and staff are moving in. It is located at 4475 S. Pecos Rd, Las Vegas NV 89121. Invites to come for a soft opening of an additional Harbor location and Evening Reporting Center (ERC) that will also be located in this building.
 - b. **Legislature** - AB309 passed and we are hoping the funding can help our approach towards Chronic Absenteeism and truancy. A proposal was submitted to assist CCSD while

expanding Harbors across the valley and intertwine them deeper into the community and school system.

c. Juvenile Detention Reform – No update

- i.** YLS training is scheduled to begin in August with probation staff. The tool is being tested in Caseload Pro now with Odyssey bridging in. This will assist in automatically populating all information on a youth in the system once we are live as the system updates every 7 minutes.
- ii.** Probation Reform Stakeholder’s update-Mr. Martin continues to work with external and internal partners on the implementation of YLS, MAYSI II, and Caseload Pro. Making the family part of the solution is a main goal as well.

d. Juvenile Justice Programming

- i.** Changes to NRS passed during the most recent legislative session are forcing us to change the way we assess or evaluate youth in our system. As a result, we will be moving clinical staff in our Health Care Services division and updating our policy and process. This will benefit the high number of youth on suicide watch in our facility.
- ii.** SMRC II has opened its doors! Planning has started to tear down the previous house and build a home for girls.

e. The Harbor Update – We are always looking at ways to expand services at our Harbor locations. Because CCSD is a main source for referrals, we are looking for creative ideas for summer programming. While referrals are down, we will focus more on youth that need a higher level of supervision, community service, vocational training, etc. Please share any creative ideas you may have.

VII. CAC Strategic Goals

- a. Increase programming to improve client outcomes, using evidence based practices and measuring performance**
- b. Reduce disproportionate minority contact through the use of targeted strategies and programs**
- c. Post juvenile justice transitional Improve facilities to provide increased security and increased rehabilitative and vocational opportunities**

VIII. Informational Items

- a. Identify emerging issues to be addressed by the Committee at future meetings**
- b. Other information that may be of interest to the Committee and the public**
 - i.** Adult Ed has partnered with Workforce Connections! Office space is ready so once the MOU is signed, they are hoping to be ready for business by Christmas.
