Written Entry of Plea

You may use the Facsimile/Email Adjudication method to handle your Regulatory Traffic Citation(s) in lieu of appearing in court on the date of the citation. Regulatory Traffic Citation(s) are citations that deal with your driver's license, insurance and registration. You can only use this form if you are admitting to the citation and have corrected the issue. For example, operating a vehicle without proof of insurance, you must obtain insurance for the vehicle or show proof that the vehicle had insurance at the time of issued citation. The same applies with a citation dealing with registration or driver's license.

GUILTY: A Plea of guilty means that you are admitting that you did what the State accuses you of doing.

NO CONTEST: A Plea of no contest, or nolo contendere, means that you are not admitting guilt and not denying it. You are saying that you do not intend to contest the charge(s). In this case, the Judge will find you guilty of the charge(s).

NOT GUILTY: A Plea of not guilty means that you are denying the charge(s) and are demanding the State prove the allegations at trial "beyond a reasonable doubt". You must do this entry in court at the date listed on the citation.
