

# WELCOME TO DISTRICT B Newsletter

January 2025 Edition

## INVESTING ACROSS DISTRICT B

District B is large and the most diverse commission district in Clark County. We cover approximately 200 miles which includes the NE and NW parts of the valley. We cover areas such as portions of the Eastside, Moapa, Logandale, Overton, Corn Creek and pockets of rural preservation in the Northwest. These areas are all part of unincorporated Clark County. Our district also covers portions of the incorporated cities of Las Vegas, North Las Vegas and Mesquite.

As the New Year begins, we encourage you to venture out in District B. We are lucky to have many unique venues. Within the newsletter you will find some places that you may find of interest. This is the best time of the year to see some of the venues we have listed. We hope you enjoy them as much as we do.

While we are not part of the Clark County School District, education is important to us. Please contact us if you need a partner for a school in District B.

Please stay connected with us for the latest happenings in District B.

## Recap

### EVENTS ACROSS THE DISTRICT

It is our busiest time of the year. Our goal is to be across the district, and we work to spread the holiday fun. October consisted of an opening of a new preschool at the YMCA, in North Las Vegas, the largest student farmers market, National Night Out and we ended with several Halloween events in many parts of our district as well. In November, we hosted the 40th Year of BMX racing in Clark County and our Turkey Shoot at the Shooting Range. December saw us hosting two Grinchmas events, senior luncheons and a preschool pajama party. Here are a few pictures you might enjoy.
