VI. Business Items

1. Committee to review and approve 2021/2022 meeting calendar dates (for possible action)

**Moved by: Kenny Thatcher**

**Action: Approved as presented**

**Vote: 6-0/Unanimous**

2. Reprioritize Issue Tracking List, identify issues to add/delete, provide updates and select issue managers. (for possible action)

- Identify areas where clean ups are needed and create an action plan

Debbie Burgos and Dave DeMarais will be the issue managers

Areas of interest will include but will not be limited to Nellis Dunes, Jean, Nelson Hills, Cayote Springs, Logandale Trails. There will also be plans to have clean ups on National Public Lands Day on the third Saturday in September each year.

Jeremy Walters, Republic Services, will help with obtaining dumpsters for the clean ups.

The Mint 400 has a desert clean up in Jean and that may be a good starting point on

November 20, 2021. The Hump N Bump also organizes a clean

Marilyn said it may be good to organize a cleanup at Nellis Dunes in the Spring of next year. Nellis AFB will have interested volunteers willing to participate and will be a great introduction in where they can learn great outdoor areas to explore. Nellis AFB would love VIN registration day because of the challenges of getting the DMV on base. Steve Abbott helps register folks and will share his information with Debbie for future reference. Kevin Bailey suggested creating a social meeting campaign to promote and encourage folks to be good stewards of our public lands. Marilyn, this may be a good time to get involved with Get Outdoors Nevada, Tule Springs Monument and NV Energy because when there are multiple groups involved people tend to take ownership in regard to the cleanliness of the lands. This will be added to the Issue Tracking List designed to identify areas where clean ups are needed and work with the various land managers and partners for Clark County. This will also include educational pieces to promote being good stewards of the lands and will be key in identifying, promoting, and creating clean ups; this will include creating needed signage promoting educational, informational, trail markers etc. This item is marked as a high priority.

**Moved by: Debbie Burgos**

**Action: Approved as discussed**

**Vote: 6-0/Unanimous**

3. The OHV Committee requests the Board of County Commissioners to provide a letter of support for outdoor recreation on Bureau of Land Management lands (for possible action)

**Moved by: Debbie Burgos**

**Action: Approved,** Mike Frye will provide a letter to Commissioner Kirkpatrick's office and staff will finalize. This will be placed on emerging issues for a future meeting

**Vote: 6-0/Unanimous**

VII. Public Comment

Kenny Thatcher - working on a directory for OHV related purposes and will have it available soon.

Marilyn - Clark County is getting the patent and easement on Pepco Rd.

Jeremy Walters - Republic Services Community Relations Manager, have removed over 200,000 lbs. of trash from Jean alone. Would like to make cleanups broader throughout the Vegas Valley area.

VIII. Next Meeting Date

The next regular meeting September 29, 2021

IX. Adjournment

The meeting was adjourned at 5:18 p.m.

Item Number	Priority	Name of Issue	Description of the issue and its importance	Issue Manager(s)	Issue Manager To Do List	County Considerations	Status
17	Removed	Rooftop Solar Legislation	The recent proliferation of renewable energy applications in southern Nevada has the OHV community concerned about the potential loss of recreation areas should these applications be approved. Increasing rooftop solar could reduce the need for large site-type facilities to meet the state's energy needs. California recently passed legislation requiring all new homes to have solar power. The Committee will investigate the feasibility of similar legislation in Nevada.
