BE A WATER WATCHER

Summertime safety is about more than SPF. Drowning remains the leading cause of unintentional injury-related death for young children in Southern Nevada. Make summer fun for everyone with these three steps—

PATROL, PROTECT, PREPARE

PATROL

Most tragedies occur in seconds. Always designate an adult to actively watch children in the water.

PROTECT

Install four-sided pool fencing, door alarms, locks, and other safety measures to provide defensive barriers between your child and the pool.

PREPARE

Enroll your child in swim lessons. Take CPR classes, and ensure every water watcher knows how to call 911 in an emergency.
