## RULES

May shoot in both rounds provided entry fees have been paid for each round. Two rounds will be done at 9am-10:30am & 10:30am-12p, \$10 entry fee per round for 3 chances to qualify for the last man standing. Shooter must hit all 3 distances of 20/30/40 yards with 1 arrow per target, should you miss then you will need to start from the 20 yards for your second or third attempt. Once qualified at the 20/30/40 yards you will then advance to the last man standing round, where you would shoot at a clay target set at 50 yards. If you miss during the last man standing, then you are eliminated unless all participants miss the target then all shooters will shoot again until the last man standing.

Genesis Class will have the same process but at 10 meters & 15 meters, and last man standing will be at 20 yards.

Recurve Class- One arrow will be shot at 20/20/30 yards to qualify for last man standing. Last man standing distance will be at 30 yards with one arrow at a clay target.
