Clark County Recording Fee Increase

NRS 247.305, County Ordinance Title 2, Chapter 2.32
Effective November 1, 2011

The Nevada State Legislature recently amended NRS 247.305 allowing County Commissioners the authority to increase the recording fees. The Clark County Board of County Commissioners adopted an ordinance to increase the base fee for recording a document from \$14 to \$17 effective November 1, 2011. The additional \$3 fee will be allocated to the legal services program for abused and neglected children.

The fee for each additional page will remain at \$1.00. This fee increase is not applicable to the recording of marriage certificates, Uniform Commercial Code, survey or parcel maps.
