- V. Informational Items
 1. Receive a report from Las Vegas Valley Water District regarding the current well levels, status of the Blue Diamond Water System and other related concerns (for discussion only)

Jordan Bunker reported that the North well is at a static water level of 19.8 ft below land surface and the South well is 19.8 ft below land surface which equates to a 5.5 inch decline in water since December. The Water District will give an update at their Board Meeting on local hydrology and local improvements. It is expected that the moratorium will remain in place. January 1, 2022 the new water rates for Blue Diamond residents will go in to effect. Along with the service line repairs there will be an increase in water tank storage from 250k gallons to 600k gallons. Once the repairs are made repaving of the affected areas will take place. Derek Jackson reported that the work is scheduled to begin in the next 3-4 months.
 2. Receive a report from Metro regarding activity and statistics during the past month and other area crime

concerns (for discussion only)

Officer Farran had no new items to report. Audience members expressed concern about off road activity and Officer Farran reported there are plans for increased enforcement. Call 311 to report violators.

3. Receive a report from BLM regarding current and upcoming projects, updates on Red Rock Legacy bike trail, information about Red Rock National Conservation Area, and other updates about Public Lands in the area (for discussion).

Josh Travers reported that the Calico Basin Recreational Area Management Plan received over 200k public comments in December and the final plan is anticipated on March 31, 2022. The Legacy Trail Phase 1 is ready to go out to the public regarding the Environmental assessments. The Legacy Trail design of Phase 5 is currently in planning. Funding for Phase 2, 3, 4 is in place to begin design process. Phase 1 is in the final stages of planning. There is a \$35 million Proposal to complete the Legacy Trail in its entirety. Cottonwood Valley Management Plan is next on the list.

Erin McDermott with Friends of Red Rock Canyon shared information regarding the Cowboy Trail Rides horse and mule killings. The incidents are under investigation and they are offering a \$1k reward.

4. Receive a report from Clark County Administrative Services regarding updates on recent land use applications and any other updates from Clark County (for discussion only)

Meggan Holzer reported that Arroyo Road has been swept by the County. Ongoing investigation as to responsibility between County and BLM and what can be done legally. Redistricting is complete all areas under Red Rock umbrella are under Commissioner Jones, District F. We are looking for a new Red Rock CAC board Member. Please contact Meggan if interested. Meggan shared a brief explanation of property value increases and will share further information next meeting.
