Notes & Highlights

* Projected 2022 Year End numbers, for the most part, are estimates based on 2021 numbers. The number of parcels for the Taxable Real Property Parcels Assessed is based on current parcel count and anticipated additions prior to the end of the year. The County Board Of Equalization are based on the actuals from January.

**Personal Property Accounts Billed - Beginning July 2019, Personal Property Accounts Billed began including Manufactured Homes Billed to reflect a more accurate accounts billed. The 2015 counts are lower than 2014 because of deferred billing that occurred as a result of moving to a new billing system in 2014.

***For Assessor Website Hits/Record Searches as of January 2018 there is a new method for reporting that capture a more accurate picture of the actual record searches.
