Notes & Highlights

- 1- "Application for Review" is a new measure as of 2019. Applications for Review were previously captured under "Extension of Time-Apps." Historical data will remain captured under "Extension of Time- Apps."
- 2- This measure was previously known as "Extension of Time- Apps." Starting in 2019, this measure changed to "Extension of Time." Historical data captures only "Extension of Time-Apps." Starting in 2019, this measure will also capture new data that was previously captured under "Extension of Time-Maps." Historical data for "Extension of Time-Maps" remains captured under the prior measure.
- 3- "Zoning Compliance" is a new measure as of 2019. This data was previously captured under "Other Applications." Historical data will remain captured under "Other Applications."
- 4- Prior to 2019, "Other Applications" also included data related to "Zoning Compliance" and "Standard Development Agreements."
- 5- "Standard Development Agreements" is a new measure as of 2019. This data as previously captured under "Other Applications." Historical data will remain captured under "Other Applications."
- 6- The zoning plans check categorization has changed. This could result in fewer plans than previous years. The process has changed in that some previous categorizations are now grouped together even though they are separate permits. Historical data will be added over time, if available.
- 7- Due to the COVID-19 pandemic, in-person appointments were replaced with planner application reviews. Those began in April 2020. In 2022 renamed appropriately and added completed and average.
- 8- Due to the COVID-19 pandemic, all plan types were reviewed electronically allowing for more plan types to be reported beginning in April 2020.
