Nonpartisan Contests not in the 2022 General Election

Nonpartisan Contests with no Candidates in the General Election (in Ballot Order): The nonpartisan contests below will not appear on any ballots in the General Election because: (1) One of the candidates for the contest received a majority of the votes cast in the Primary and was declared elected; or (2) Less than twice the number of candidates to be elected filed for the office so any candidate that did actually file was declared elected and the remaining vacancies will be filled by appointment; or (3) No candidates filed for the office and the vacancies will be filled by appointment. Applicable statutes vary by contest.
