YOUTH SWIMMING LESSONS

Water Introduction

6 mo. – 5 yrs. Old

30 minute classes

Required skills to enter class: ability to enter water and have fun.

Class set-up: Accompanied by a parent/guardian in shallow water, adults & children participate in guided classes together. **Children MUST have an adult in the class with them.** 10 parent/child pairs per instructor.

Class goal: This class builds swimming readiness and by emphasizing fun in the water and introduction to basic water exploration skills and an introductory experience to group swimming lessons.

Skills taught: Water entry & exit, blowing bubbles, freestyle arm movement, backstroke arm movement, underwater exploration, flutter kicking & floating positions.

****Children who require diapers must wear a swim diaper under their swimsuit****

1. Water Independence

3 – 12 yrs. Old

30 minute classes

Required skills to enter class: Children must be comfortable being in the water without a parent/guardian, must be able to listen & take direction in a group setting.

Class set-up: Takes place in shallow water. 6 participants per instructor

Class goal: To help participants become more comfortable in the water and perform basic swim skills, floats, front and back glides, and entering water with submersion with minimal assistance.

Skills taught: retrieving a submerged object, independent forward motion using arm & leg motions, independent use of a kickboard, and floating on front and back for 5 seconds, jumping into water with submersion, and basic water safety skills.

2. Stroke Introduction

3 – 12 yrs. old

45 minute classes

Required skills to enter class: Participants must have the ability to demonstrate comfort with these skills with minimal support: jump into chest deep water and completely submerge head, 10ft from starting point: perform front float for 5 seconds roll over to back float for 5 seconds, swim front crawl to starting point.

Class set-up: Takes place in shallow water. 6 participants per instructor

Class goal: To teach participants unassisted front crawl and back crawl for 10-15 yards, independent entry into deep water with submersion, returning to wall and exiting pool using ladder or stairs.

Skills taught: Unassisted front crawl and back crawl, deep water entries, basic water safety skills, introduction to rotary breathing and elementary back stroke.

3. Stroke Progression

3 – 12 yrs. old

45 minute classes

Required skills to enter class: Participants must be comfortable in deep water, must be able to jump into deep water, swim freestyle and back stroke unassisted.

Class set-up: Independent in deep water. 6 participants per instructor.

Class goal: To refine basic swimming strokes (freestyle & backstroke) and introduce more advanced strokes, such as elementary backstroke, and breast stroke, as well as survival floating and basic treading.

Skills taught: Refined rotary breathing, elementary backstroke, breast stroke, and treading water.
