Letter of Acknowledgment for Installation of New Electrical Service to be Transferred to Clark County

This letter hereby acknowledges that *(Applicant)* _____
working on behalf of *(MLA Licensee)* _____
has requested to install a new electrical service in support of a small cell site
referenced in attached Site License Application. Any proposed service
location shall be located within public Right-of-Way.

(Applicant) _____ shall be responsible for all costs/fees,
engineering, coordination, installation, etc. as required by NV Energy for
providing power to the new service.

The service shall be transferred to the County upon final inspection and the
County shall be the customer with regards to NV Energy billing.

**NOTE: Upon approval and completion of construction, the existing Meter Tariff for
this meter's electric usage shall be changed to the General Tariff Rate and would
include applicable service fees from NV Energy.**
