VIII. Public Comment

Janice Ridondo- There will be no meeting in April because our only April meeting was cancelled due to the fair, so May 15th will be our next meeting date; NDOT will be here to discuss current and future projects. Gene-there's no lighting on the field at Mack Lyon for baseball practice. Janice- this has been 2 years in the making, Marilyn gave the school some lights but they wound up being too short. Those lights are now planned to be used in their bus yard. Marilyn is working to find lighting for the fields. The BCC meeting which will hear the Land Use Plan is May 8th. Dorene Starita- would like to be on record in opposition to the way the Land Use Plan is currently being operated.

IX. Next Meeting Date

The next regular meeting will be May 15, 2019

X. Adjournment

The meeting was adjourned at 8:08 p.m.
Request for waiver of paving Leavitt Street on parcel 041-34-101-014 located in Logandale, Nevada.

Assessor description: Land Division 52-83 Lot 1 1800:1759543

Geoid: PT NE4 NW4 SEC 34 15 67

Property Owners: William Lee and Veda Sue Johnson Family Trust

We are requesting a waiver, so we don’t have to pave Leavitt Street south of Gubler Ave to Cameron Ave. My wife and I want to divide our parcel so that our son can build a home on that parcel. One of the requirements is to pave Leavitt Street south of Gubler Ave to Cameron Ave to the south.

Looking at the parcel map, Leavitt Street south of Gubler does not aligned with Leavitt to the North. The land owners to the west, Arnold and Roberta Cottam are against paving Leavitt Street and the property owners south of Cameron Ave have no plans to develop their property. The Cottams have two ways to access their property.

Please help us and our son’s family in making home ownership possible and without costing so much to just get to the building process.

Sincerely,

William Lee and Veda Sue Johnson
OFF-SITE IMPROVEMENTS
(TITLE 30)

GUBLER AVE/LEAVITT ST
(MOAPA VALLEY)

PUBLIC HEARING
APP. NUMBER/OWNER/DESCRIPTION OF REQUEST
WS-19-0238-JOHNSON, WILLIAM LEE & VEDA SUE:

WAIVER OF DEVELOPMENT STANDARDS for off-site improvements (curb, gutter, sidewalk, streetlights, and full paving) in conjunction with a proposed 2 lot single family residential subdivision on 2.3 acres in an R-E (Rural Estates Residential) Zone in the Moapa Valley Overlay District.

Generally located on the east side of Leavitt Street and the south side of Gubler Avenue within Moapa Valley. MK/md/ja (For possible action)

RELATED INFORMATION:

APN:
041-34-101-014

WAIVER OF DEVELOPMENT STANDARDS:
Waive full off-site improvements (curb, gutter, sidewalk, streetlights, and full paving) along Leavitt Street where required per Chapter 30.52.

LAND USE PLAN:
NORTHEAST COUNTY (MOAPA VALLEY) - RESIDENTIAL SUBURBAN (UP TO 8 DU/AC)

BACKGROUND:
Project Description
General Summary
- Site Address: 2055 Gubler Avenue
- Site Acreage: 2.3
- Number of Lots: 2

Site Plans:
The plans depict a proposed 2 lot subdivision with an overall area of 2.3 acres located at the southeast corner of Gubler Avenue and Leavitt Street. Lot 1 consists of 1.15 acres and features an existing single family residence. Access to Lot 1 is granted via an existing driveway along Gubler Avenue. Lot 2 measures 1.15 acres, is located on the western half of the subdivision, and will eventually be developed with a single family residence. Access to Lot 2 is granted from Leavitt Street and Gubler Avenue.
Applicant’s Justification
The applicant states the northern portion of Leavitt Street begins at Gubler Avenue and terminates at Cameron Avenue to the south. Cameron Avenue is not paved and terminates into the Union Pacific Railroad tracks to the west and Terry Street to the east. The applicant indicates the portion of Leavitt Street located to the south of Gubler Avenue does not align with the portion of Leavitt Street to the north of Gubler Avenue. The applicant intends to subdivide the parcel into 2 lots so their son can construct a residence on the undeveloped lot.

STANDARDS FOR APPROVAL:
The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis
Current Planning
According to Title 30, the applicant shall have the burden of proof to establish that the proposed request is appropriate for its existing location by showing that the uses of the area adjacent to the property included in the waiver of development standards request will not be affected in a substantially adverse manner. The intent and purpose of a waiver of development standards is to modify a development standard where the provision of an alternative standard, or other factors which mitigate the impact of the relaxed standard, may justify an alternative.

Public Works - Development Review
Historical events have demonstrated how important off-site improvements are for drainage control. Additionally, full width paving allows for better traffic flow and sidewalks on public
streets provide safer pathways for pedestrians and for children to walk to school. Therefore, staff cannot support this request.

Staff Recommendation
Denial.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 38, and/or the Nevada Revised Statutes.

PRELIMINARY STAFF CONDITIONS:

Current Planning
If approved:
- Applicant is advised that a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified, and that this application must commence within 2 years of approval date or it will expire.

Public Works - Development Review
- Execute a Restrictive Covenant Agreement (deed restrictions).

Building Department - Fire Prevention
- No comment.
