¹ An individual's relatives within the third degree by consanguinity are the individual's:

- (A) parent or child (relatives in the first degree);
- (B) brother, sister, grandparent, or grandchild (relatives in the second degree); and
- (C) great-grandparent, great-grandchild, aunt who is a sister of a parent of the individual, uncle who is a brother of a parent of the individual, nephew who is a child of a brother or sister of the individual, or niece who is a child of a brother or sister of the individual (relatives in the third degree).

² A husband and wife are related to each other in the first degree by affinity. For other relationships by affinity, the degree of relationship is the same as the degree of the underlying relationship by consanguinity. If two (2) individuals are related to each other in the second degree by consanguinity, the spouse of one (1) of the individuals is related to the other individual in the second degree by affinity.
