

Clark County Local Mitigation and Enforcement Plan Activity and Business Tiers

This table serves as a quick reference guide to the Clark County Local Mitigation and Enforcement Plan (Plan) adopted by the Clark County Commissioners on April 20, 2021. The Plan ensures that our region continues to stay vigilant in protecting the health of our residents and visitors. The measures outlined in this quick reference guide are effective May 1, 2021. This table is not meant to be exhaustive.

If a business sector or activity is not specifically cited in the Plan, capacity restrictions and social distancing requirements as noted in the "Capacity and Social Distancing" section of the Plan applies. Businesses are required to manage social distancing requirements. New signage is not required to be replaced or updated to reflect updated social distancing requirements.

For full industry guidance, please consult the official Plan document, available at <https://bit.ly/3tI9Rgs>. Furthermore, for additional industry specific guidance from the Southern Nevada Health District (SNHD), visit: <https://bit.ly/3edgWPS>.
