Re: Faith Community Lutheran School, Parcel M. Summerlin Village 14B (The Gardens) UC 0100-14

Honorable Commissioners:

I am writing this letter on behalf of The Howard Hughes Corporation ("Howard Hughes"), as the President of the Summerlin master planned community, in support of Faith Community Lutheran School's proposed project, referenced above. Howard Hughes strongly supports this project. Faith Community Lutheran School and Church has been an important partner in Summerlin for a number of years, and Howard Hughes looks forward to this new development in Summerlin.

Sincerely,

Kevin T. Orrock  
President of Summerlin
