Fixt Clark County Inquiries/Requests	721	702	865	762									3,050	9,150	2,058

Notes & Highlights

1- Data from previous months are subject to change as information gets updated in the software system after the end of each month.
2- Streetlighting work orders were changed in June 2016.
3- Newly-activated Traffic Signals began to be reported in January 2020.
4- A small cell site license application is the initial application for a small cell site from a wireless licensee, or an application to modify an existing small cell site.
5- Newsrack Violations/Impounds- In 2015, Section 16.08.170 (9) (e) of the Clark County Code was amended to allow for enforcement of abandoned newsracks outside of the regulated H-1 zone.
6- Prior to 2020, the number of new pavement line miles were measured in square yards. Starting in 2020, new pavement line miles started to be measured in lane miles.
7- These measures were first reported in January 2017.
8- Fixt Clark County allows residents to report quality-of-life issues and request services. It replaces the previous reporting mechanism known as ClarkConnect. The historical data available includes inquiries from ClarkConnect.
