NOTIFICATION OF PROPOSED AMENDMENT TO CLARK COUNTY CODE
TITLE 6, CHAPTER 6.76
BURGLAR ALARM SYSTEMS

Dear Licensee and Community Partners:

Please be notified pursuant to NRS 237.080, of proposed amendments to Clark County Code, Title 6, Chapter 6.76, for Burglar Alarm Systems. The amendments are available for your review online at www.clarkcountynv.gov/depts/businesslicense.

The proposed amendments address the following key areas:

- Changes the title of this Chapter to Electronic Alarm Systems.
- Section 6.76.005, Subsections 6.76.005.010 through 6.76.005.130 adds new definitions.
- Section 6.76.010 requires every person who provides electronic security services to have a business license.
- Section 6.76.015 does not require any merchant who sells one or more components of an electronic security system to be subject to this chapter if the merchant does not perform installation, monitoring or on-site services.
- Section 6.76.070 deletes the requirement of a bond.
- Section 6.76.090 allows for the sheriff to have more discretion in the denial of an employee work identification card.
- Section 6.76.110 revises the duties and responsibilities of person providing electronic security services regarding the verification of an alarm signal; when Metro should be notified; and installation and maintaining the electronic security systems.

In accordance with NRS 237.080, business owners and interested parties may submit data and arguments to the Clark County Board of Commissioners, in care of the Department of Business License as to whether the proposed amendment will:

1. Impose a direct and significant economic burden upon a business; or
2. Directly restrict the formation, operation or expansion of a business.

Please direct your comments, data and arguments in writing to Jordan Sandecki at PublicCommentCCBL@ClarkCountyNV.gov by 5:00 p.m. on April 28, 2022.

Sincerely,

Michael Harwell
