# YOUTH SWIMMING LESSONS

## Water Introduction

6 mo. – 5 yrs. old

30 minute classes

**Required skills to enter class:** ability to enter water and have fun.

**Class set-up:** Accompanied by a parent/guardian in shallow water, adults & children participate in guided classes together.

**Children MUST have an adult in the class with them.** 3 parent/child pairs per instructor.

**Class goal:** This class builds swimming readiness and by emphasizing fun in the water and introduction to basic water exploration skills and an introductory experience to group swimming lessons.

**Skills taught:** Water entry & exit, blowing bubbles, freestyle arm movement, backstroke arm movement, underwater exploration, flutter kicking & floating positions.

**\*\*Children who require diapers must wear a swim diaper under their swimsuit\*\***

## 1. Water Independence

3 – 12 yrs. old

30 minute classes

**Required skills to enter class:** Children must be comfortable being in the water without a parent/guardian, must be able to listen & take direction in a group setting.

**Class set-up:** Accompanied by a parent/guardian in shallow water. Adults and children participate in guided classes together.

**Children MUST have an adult in the class with them.** 3 parent/child pairs per instructor.

**Class goal:** To help participants become more comfortable in the water and perform basic swim skills, floats, front and back glides, and entering water with submersion with minimal assistance.

**Skills taught:** retrieving a submerged object, independent forward motion using arm & leg motions, independent use of a kickboard, and floating on front and back for 5 seconds, jumping into water with submersion, and basic water safety skills.

## 2. Stroke Introduction

3 – 12 yrs. old

30 minute classes

**Required skills to enter class:** Participants must have the ability to demonstrate comfort with these skills with minimal support: jump into chest deep water and completely submerge head, 10ft from starting point: perform front float for 5 seconds roll over to back float for 5 seconds, swim front crawl to starting point.

**Class set-up:** Accompanied by a parent/guardian in shallow water. Adults and children participate in a guided classes together.

**Children MUST have an adult in the class with them.** 3 parent child pairs per instructor.

**Class goal:** To teach participants unassisted front crawl and back crawl for 10-15 yards, independent entry into deep water with submersion, returning to wall and exiting pool using ladder or stairs.

**Skills taught:** Unassisted front crawl and back crawl, deep water entries, basic water safety skills, introduction to rotary breathing and elementary back stroke.

## 3. Stroke Progression

3 – 12 yrs. old

45 minute classes

**Required skills to enter class:** Participants must be comfortable in deep water, must be able to jump into deep water, swim freestyle and back stroke unassisted.

**Class set-up:** First few classes held in shallow water to assess skills level. Independent in deep water. 3 participants per instructor.

**Class goal:** To refine basic swimming strokes (freestyle & backstroke) and introduce more advanced strokes, such as elementary backstroke, and breast stroke, as well as survival floating and basic treading.

**Skills taught:** Refined rotary breathing, elementary backstroke, breast stroke, and treading water.

## 4. Advanced Stroke Development

3 – 12 yrs. old

45 minute classes

**Required skills to enter class:** Participants must be able to jump into deep water and swim 15 yards front crawl with rotary breathing, turn around and swim back to the wall using elementary backstroke, and exit the water. Participants must also be able to tread water for 15 seconds without support.

**Class set-up:** Independent in deep water. 4 participants per instructor.

**Class goal:** To refine basic swimming strokes and introduce new swimming strokes.

**Skills taught:** Refinement of breaststroke, elementary backstroke and dolphin kick. New skills will include: sculling, eggbeater kick, backstroke open turns, sidestroke, butterfly, feet first surface dives, sitting and kneeling dives.

## ADULT & TEEN LESSONS

### Beginner Lessons

13 & older

6 week session / 45 minutes

These swim lessons are designed to meet the participant's personal goals in a group setting. Instructors work with each participant to overcome apprehension and learn basic skills such as floating, swimming under water, and basic stroke development. This class will take place mostly in shallow water. However, it may move to deep water if participants are ready.

Regular Cost: \$26	Days	Session 1
		January 9 – February 13
<b>Beginner Adult/Teen</b>	Sat.	11:30am

# YOUTH PROGRAMS

## Recreational Swim Team

6 -17 yrs.

6 week session / 45 minute

\$50/session

This is a recreational level swim team program that encourages teamwork and self-esteem. Participants will practice to develop strokes and improve personal times and skills. Emphasis is on personal improvement.

**Pre-requisite:** Participants must be able to swim 25 yards of the pool independently using an over-arm stroke with rhythmic breathing. It is highly recommended that the participant complete Advance Stroke Development Swim Lessons before enrolling. Program fee includes instructional practices and swim meets.

**Class Set-up: 8 participants per class time. 1 participant per lane.**

Class	Days	Session 1
		January 4 – February 11 *No class 1/18
Recreational Swim Team	M,W	6:00pm <b>*\$46</b>
	Tu,Th	6:00pm

# WATER FITNESS

## Water Aerobics Program

13 & older

6 week session / Length Varies

\$34 / Registration Required

This class is designed for participants to actively move through the water using their whole body by doing jumping jacks, kicking, jogging, walking, abdominal work, and water weight toning. Participants should work at their own pace and let the instructor know of any problems. Ability to swim is not required.

**Class set-up: 6 participants per class**

*Participants may bring water shoes that are not used for street wear.*

Class	Days	Cost	Session 1
			January 4 – February 12 *No class 1/18
Shallow Aerobics	M,W,F	<b>*\$31</b>	8:00am – 8:40am
	M,W,F	<b>*\$31</b>	9:00am – 9:40am
	M,W,F	<b>*\$31</b>	10:00am – 10:40am
