## CLASS REGISTRATION INFORMATION

### Registration Dates for Session 4

Online and Walk-in registration-  
May 25, 2023  
at 7:00am

### Registration Dates for Session 5

Online and Walk-in registration-  
June 29, 2023  
at 7:00am

**SIGN-UP ONLINE**

**PATROL**

**ALWAYS** designate an adult **WATER WATCHER** when kids are in the pool.

In the time it takes to make a phone call,  
a child can drown.

**PROTECT**

Install **BARRIERS** around the pool and  
alarms on doggy doors.

A child that can access the pool without your  
knowledge can drown before you know it.

**PREPARE**

Take a CPR class, register your  
children for **SWIM LESSONS**, and have  
safety equipment, such as Coast  
Guard approved lifejackets.

**PRIVATE  
SWIMMING  
LESSONS**

Private lessons  
will return  
Fall 2023!

# YOUTH SWIMMING LESSONS

Water Introduction 6 mo. – 5 yrs. old 30 minute classes

**Required skills to enter class:** ability to enter water and have fun.

**Class set-up:** Accompanied by a parent/guardian in shallow water, adults & children participate in guided classes together.

**Children MUST have an adult in the class with them.** 10 parent/child pairs per instructor.

**Class goal:** This class builds swimming readiness and by emphasizing fun in the water and introduction to basic water exploration skills and an introductory experience to group swimming lessons.

**Skills taught:** Water entry & exit, blowing bubbles, freestyle arm movement, backstroke arm movement, underwater exploration, flutter kicking & floating positions.

**\*\*Children who require diapers must wear a swim diaper under their swimsuit\*\***

1. Water Independence 3 – 12 yrs. old 30 minute classes

**Required skills to enter class:** Children must be comfortable being in the water without a parent/guardian, must be able to listen & take direction in a group setting.

**Class set-up:** Takes place in shallow water. 6 participants per instructor

**Class goal:** To help participants become more comfortable in the water and perform basic swim skills, floats, front and back glides, and entering water with submersion with minimal assistance.

**Skills taught:** retrieving a submerged object, independent forward motion using arm & leg motions, independent use of a kickboard, and floating on front and back for 5 seconds, jumping into water with submersion, and basic water safety skills.

2. Stroke Introduction 3 – 12 yrs. old 45 minute classes

**Required skills to enter class:** Participants must have the ability to demonstrate comfort with these skills with minimal support: jump into chest deep water and completely submerge head, 10ft from starting point: perform front float for 5 seconds roll over to back float for 5 seconds, swim front crawl to starting point.

**Class set-up:** Takes place in shallow water. 6 participants per instructor

**Class goal:** To teach participants unassisted front crawl and back crawl for 10-15 yards, independent entry into deep water with submersion, returning to wall and exiting pool using ladder or stairs.

**Skills taught:** Unassisted front crawl and back crawl, deep water entries, basic water safety skills, introduction to rotary breathing and elementary back stroke.

3. Stroke Progression 3 – 12 yrs. old 45 minute classes

**Required skills to enter class:** Participants must be comfortable in deep water, must be able to jump into deep water, swim freestyle and back stroke unassisted.

**Class set-up:** Independent in deep water. 6 participants per instructor.

**Class goal:** To refine basic swimming strokes (freestyle & backstroke) and introduce more advanced strokes, such as elementary backstroke, and breast stroke, as well as survival floating and basic treading.

**Skills taught:** Refined rotary breathing, elementary backstroke, breast stroke, and treading water.

4. Advanced Stroke Development 3 – 12 yrs. old 45 minute classes

**Required skills to enter class:** Participants must be able to jump into deep water and swim 15 yards front crawl with rotary breathing, turn around and swim back to the wall using elementary backstroke, and exit the water. Participants must also be able to tread water for 15 seconds without support.

**Class set-up:** Independent in deep water. 10 participants per instructor.

**Class goal:** To refine basic swimming strokes and introduce new swimming strokes.

**Skills taught:** Refinement of breaststroke, elementary backstroke and dolphin kick. New skills will include: sculling, eggbeater kick, backstroke open turns, sidestroke, butterfly, feet first surface dives, sitting, and kneeling dives.

# YOUTH PROGRAMS

Recreational Swim Team      6 -17 yrs.      6 week session / 45min

This is a recreational level swim team program that encourages teamwork and self-esteem. Participants will practice to develop strokes and improve personal times and skills. Emphasis is on personal improvement. **Pre-requisite:** Participants must be able to swim 25 yards of freestyle with rotary breathing and 25 yards of backstroke. Knowledge of breaststroke and butterfly highly encouraged.

Intro to Synchro      6 -17 yrs.      6 week session / 45min

This is a recreational level synchronized swimming program that encourages teamwork and self-esteem. Participants will learn the fundamentals of synchronized swimming, focusing on figure development with basic endurance and form technique. Pre-requisite: participants must be able to swim 25 yards of the pool independently. It is highly recommended that the participant complete Advance Stroke Development Swim Lessons before enrolling. Program fee includes instructional practices and synchronized swim meets.

Itty Bitty Synchro      3 - 8 yrs.      3 week session / 30min

Itty Bitty Water Ballet introduces children ages 3-8 to synchronized swimming by dancing in the shallow water. Participants will have the opportunity to participate in a final performance at the end of each session. This class will be held in the 0 -3ft depth section of the pool outdoors. Pre-requisite: Participants registering for this class must already be comfortable in the water without their parent but do not need swimming experience.

Intro to Water Polo      6 -17 yrs.      6 week session/ 45 min

This six-week introductory water polo course covers teamwork, fitness, critical thinking, decision making, agility and endurance. Participants will learn proper swimming techniques, how to tread water efficiently using the eggbeater technique, handle, pass and shoot a ball, along with goal keeping. **Intro to Water Polo Pre-requisite:** Participants must be able to swim 50 yards of the pool independently and tread water for 1 minute.

# ADULT & TEEN LESSONS

## Beginner

13 & older

45 minutes

These swim lessons are designed to meet the participant's personal goals in a group setting. Instructors work with each participant to overcome apprehension and learn basic skills such as floating, swimming under water, and basic stroke development. This class will take place mostly in shallow water. However, it may move to deep water if participants are ready.

## Intermediate/Advanced

13 & older

45 minutes

These swim lessons are designed to meet the participant's personal goals in a group setting. Instructors work with each participant to work on and refine basic skills such as floating, swimming under water, and stroke development. This class will usually take place in deep water. However, it may move to shallower water if needed.

Class	Day	Session 4	Session 5

# WATER AEROBICS

13 & older

3 week session / 45 min

Registration Required **\$18.00**

Jump right into our water aerobics classes and build cardiovascular fitness and strength. Just like swimming, our water aerobics classes are easy on your joints, yet challenging enough to help you reach new levels of fitness. Water aerobics classes are suitable for any fitness level, from beginning exercisers through elite athletes. Working out in the water is a fun way to improve your joint range of motion, flexibility and balance through the comfortable resistance of water. Participants should work at their own pace and let the instructor know of any problems.

**20 participants per class. Registration required.**

**\*Lazy River Water Aerobics\*** This class uses the lazy river for a physically-challenging workout. Power walking takes advantage of currents created by the pool jets as well as by the participants in varying the resistance of the workout. This class is perfect for those participants interested in a basic workout that can offer varied and individual degrees of challenge.

Participants may bring and use their own water shoes, all other equipment is provided. Water shoes are not required to take this class.

**\*Drop-ins available as space permits \$6 – please check with the pool for availbilty.**

Days	Location	Session 4	Session 5
		*Break Week Mon July 3 – Sat July 8
